From the Parent/Student Handbook:

TUITION ASSISTANCE

A limited amount of financial assistance is available yearly to those who are in need. Please contact the financial office for information on applying for such assistance.

In order to be good stewards of the monies that the Lord has entrusted to us, it is important that the following guidelines be carefully adhered to. To be eligible for continuing tuition assistance:

- 1) A student must not be disruptive to the educational process in any classroom environment and must demonstrate respect for school property.
- 2) A student should maintain a C academic average and have no grade of F in any subject.
- 3) A secondary student receiving 25 or more demerits in one semester would give cause for non-continuance in the Tuition Assistance program until such time as he or she falls into acceptable conduct parameters of the program.

Eligibility for tuition assistance will be determined on a semester basis by the School Administrator and students may be placed on academic or conduct probation at the end of the school semester. A student placed on such probation will have one semester to restore his or her academic or conduct record, or tuition assistance will be forfeited.

Parental notification throughout the process will be the responsibility of the School Administrator. Further administrative action may be needed if problems are not resolved; such action may include students being asked to withdraw from CPRS.

By signing below, I understand that this application is for the current school year only and that I must reapply for each new school year; that continuation of assistance is dependent on available resources and my student's academic and behavioral performance at school; that accumulation of 25 or more demerits for secondary students may result in revocation of tuition assistance, and that tuition assistance may be discontinued at any time at the discretion of the school. **By signing, I acknowledge that I have read and understand the tuition assistance guidelines on the back of this form.**
