

ADMISSIONS AT CPRS

We would love to have your student at CPRS! We are committed to providing an education that instills a desire for Godly character, to lead students to a personal relationship with Jesus Christ, and to equip them with the skills necessary to excel in society and assist in the establishment of God's Kingdom.

1

Learn

Pick up (or download) the student admissions packet, then contact us to schedule a tour! One of our staff will show you around the school, introduce you to the CPRS experience, and help answer any questions you may have. During your visit, we will also conduct a brief interview to assist in determining if CPRS is the right fit for your family. We seek families who are dedicated to learning, faithfully pursue God, and are supportive of their children's education and are committed to providing a Godly upbringing in the home.

2

Apply

After your tour & interview, it's time for paperwork! Submit the application form included in your application packet, along with all transcripts and records listed. These records can be emailed, faxed, or delivered directly to the school, and our staff are happy to assist you in this process if you need. If placement tested is needed, we will handle that at this time as well.

3

Attend

After your application has been reviewed, you will be notified regarding your children's acceptance to CPRS. We will work with you to ensure that the transition process into CPRS is smooth and stress-free, and that your children have all the tools they need to succeed in their new school!
